 Paul Berland, Executive Director of NE Iowa RC & D, thanked Supervisors for past contributions and explained the services and assistance RC&D offers. Berland made FY24 funding request.  
 Andy Kelleher presented round 2 façade program grant applications. After first round awards, there is \$7,163.88 left to award of the total \$50,000 the County committed to this program. The recommendation is to award Town Theater in Waukon \$5,000 and Bodensteiner LBD properties building in downtown Waukon \$2,163.88. Total to be spent by these 2 entities for these two projects would be almost \$50,000, including the award amounts.

Dry hydrant would help with this issue. Discussion included fire department involvement, county providing excavator, snow removal to keep it accessible, impact on recreation in the area, Engi-

neer Ridenour provided fire district maps, Conservation Board has to give the final approval, and Conservation Board would need to enter into a Memorandum of Understanding agreement with the fire districts.
